**OUR LADY OF THE ROSARY FEAST DAY
OCTOBER 7TH**

**The rosary will be prayed before each mass in
honour of the Feast of Our Lady of the Rosary**

To begin 1/2 an hour before mass

This well-loved prayer has its roots in the 150 psalms. People who couldn't read began praying 150 Hail Marys instead, the equivalent of three of our modern rosaries covering the original three sets of mysteries. The story of the feast of Our Lady of the Rosary begins in the 16th century when Pope Pius V was having trouble with the Ottoman Turks, who were a real danger to Christianity. After months of disagreements and bickering, he was able to unite Spain, Venice, and the States of the Church in a naval expedition to fight the Turks. The two navies met in the Gulf of Lepanto in Greece on October 7, 1571. On the same day, the Rosary Confraternity of Rome was meeting at the Dominican headquarters there. The group recited the Rosary for the special intention of the Christians at battle. The Christians defeated the Turks in a spectacular victory and believed it was due to the intercession of the Blessed Virgin that victory was won. Pope Pius V dedicated the day as one of thanksgiving to Our Lady of Victory. Pope Gregory XIII later changed the name to the feast of Our Lady of the Rosary. The focus of the feast of Our Lady of the Rosary is the intercessory power of Mary. It shows that when Christians are in danger, when an individual is in pain, discouraged, or having trouble accepting God's will, he or she can also go to Mary. She will pray to her Son for anyone who calls on her. Anyone who prays to Mary no longer feels alone because she prays with them and for them.

The Rosary is a deep prayer because as we recite the Our Father, Hail Mary and Glory Be, we meditate on the mysteries in the lives of Jesus and Mary. No wonder it pleases Our Lady when we pray the Rosary.
